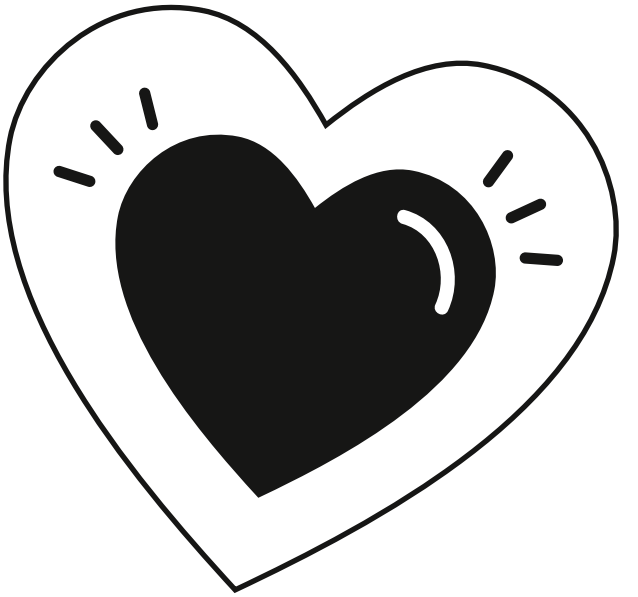
PRINT SOME LIKES!



You noticed something. You liked it. Now tell them!

HOW TO LEAVE A LIKE:

1. NOTICE SOMETHING YOU LIKE.
A garden. A sign. A flag. A gnome. Whatever makes you smile.

2. WRITE IT DOWN.

- 🌿 A garden
- 🏡 A house color
- 🪧 A great sign
- 🌸 A flower
- 🦩 A particularly excellent lawn flamingo
- 🐸 A weird little yard creature
- ✨ Literally anything that makes you smile

3. DELIVER & LEAVE.
Put it somewhere they'll find it.

THAT'S IT!
No need to knock.
No need to stick around.
No need to sign your name. *(though you can if you want!)*

Just leave a little Like and keep walking.

PRINTING & DEVLIERY TIPS:

- Print on cardstock if you've got it. Regular paper works, too!
- Cut along the lines, punch the little hole, and add string, ribbon, or whatever you've got handy.
